

NATIONAL ACADEMY LEAGUE

RELEASE DATE:
13 April, 2023

PRESS RELEASE

The nation's top Academy Clubs collaborate to support their developmental pathway for players focused on their professional and college careers through the National Academy League.

The National Academy League's Inaugural Fall 2023/Spring 2024 season will see fifty-two clubs competing in five Conferences : New England, Northeast, Mid-Atlantic, Southeast and Florida.

Each Conference will feature BU13, BU14, BU15, BU16, BU17 & BU19 programming. Directors of Coaching within each Conference will have the autonomy to make additional sporting decisions. For example, add additional ages or craft conference specific events or formats that enhance their player's growth opportunities.

Participating clubs will also have the opportunity to attend IMG Academy's December College Showcase, as well as compete for a National Academy League National Championship in June 2024.

Participating clubs | National Academy League
